The NASA Community Coordinator will coordinate events and create a line of communication between the Native American Student Alliance (here on will be referred to as NASA), the Native American Council (NAC), the UC San Diego Alumni, and the Native American community (locally, regionally, state) to address the needs of the Native* community focusing on access to higher education as well as, historical and cultural awareness, and visibility.

American Indian Recruitment Program
The AIR Program is an afterschool program for American Indian high school students. This program is in collaboration with the University of San Diego, San Diego State University, and UC San Diego. In the Fall of 2009, the Associated Students Office of Local Affairs established the Native American Affairs Director (now known as the Tribal Government Affairs Director) that works with the AIR Program. The NASA Community Coordinators will work in collaboration with the director to coordinator the AIR Program at UCSD by planning AIR Meetings, recruiting mentors, and meeting with the AIR Program executive director. The AIR meetings, in coordination with the AIR Program director, are student-initiated and student-run.

* in understanding to encompass Native Alaskan, InuIts, First Nation, and Kanaka Maoli (Native, Indigenous Hawai’ians as recognized by the Kamehameha rulings)

Job Specific Responsibilities
- Coordinate access and retention events and programs that reflect the needs of Native students in higher education such as but not limited to: mentorship, tutoring, cultural workshops/events, community advocacy, etc.;
- Work with local Native communities creating avenues for Native students to pursue higher education;
- Collaborate with the NASA and/or Native American students to coordinate the Annual Native American High School Conference, as well as the Native Youth Basketball Tournament
- Facilitate regular meetings with the Native American Student Alliance (NASA) to develop and strengthen access initiatives;
- Coordinate meetings with the Native American Council (NAC), the UC San Diego Alumni, and representatives of the local/regionally/state Native American community, as needed;
- Collaborate with the other NASA community coordinator to document the history of Native American visibility and invisibility in the UCSD as well as maintain a logged history of NASA, in terms of retention oriented needs;
- Collaborate with the Access Project Group to develop handbook for guidelines and requirements to be on site at high schools for workshops, presentations, tutoring, and mentoring;
- Create at least one new program that is creative, joyous to you, and may effectively help to retain the Native students on campus (i.e. a writing workshop, music lesson jam sessions, etc.) ;
- Collaborate with other entities on campus and in the general community around Native issues and events leading to the formation of a calendar of events;
- Coordinate with other organizations on campus and in the general community on Native events in UCSD to provide a student perspective on administrative planning and coordinating;
- Forge relationships with educational institutions (middle schools, high schools, charter schools, and programs) that have historically worked and/or currently working with Native students;
- Create a supportive space of dialogue and programming that pertains to the experience of Native students;
- Collaborate with the Retention Project Group to develop Graduate Studies preparation workshops or programs;
- Assist with the coordination of the SIAPS College Tour and other SIAPS programs, with the Access Project Group.
General Responsibilities

- Available to work on occasional evenings and weekends;
- Participate in bi-weekly one-to-one meetings with full-time staff, co-directors, and co-coordinators.
- Participate in mandatory weekly staff meetings, each Thursday from 3:30-4:50pm;
- Participate in mandatory weekly project group meetings, each Tuesday from 3:30-4:30pm;
- Fully engage in activities that facilitate holistic development, which may involve personal and emotional investments;
- Meet with members of the SPACES Board of Directors and/or Core Organizations, as needed;
- Complete paperwork, including project proposal forms and Triton Activities Planner (TAP), to receive project funding;
- Assist with Front Desk coverage and reception at least one hour a week;
- Assist with SPACES administrative duties including data entry, photocopying, typing, and customer service;
- Assist in facility maintenance including, but not limited to basic cleaning, furniture rearrangements, and supply inventory;
- Consistently document and evaluate the effectiveness of all activities through the use of the SPACES Shared Drive, Post-Program Report Form, and Participant Database;
- Submit quarter and end-of-year evaluations of your internship experience to give an overall assessment of your position and provide recommendations for future improvements;
- Coordinate a self-initiated project during fall, winter, or spring quarter;
- Build and maintain connections with students, staff, and/or faculty members who are allies to SPACES;
- Collaborate with SPACES Staff to promote the SPACES Mission to improve campus climate for all students;
- Provide administrative support for SPACES sponsored events and community events in relation to access and retention initiatives;
- Other duties as assigned.

General Qualifications

- Pay quarterly registration fees for each quarter employed;
- Understanding of the mission and aspiration of SPACES and those affiliated with it;
- Understanding of the importance of access and retention in relation to equal access to education, diversity, and cultural/socioeconomic struggles and oppressions;
- Strong passion and commitment for educational equity;
- Ability to manage and uphold accountability;
- Ability to communicate effectively in one-on-one and group settings;
- Ability to recognize one’s own impact on others;
- Flexible to meet the dynamic and fast-paced needs of SPACES;
- Ability to organize and manage multiple projects;
- Progressive and innovative leadership approach;
- Proven experience working cooperatively as part of a team;
- Ability to work collaboratively with students, faculty, staff, and the wider San Diego community, which the university serves;
- Ability to maintain confidentiality with highly-sensitive information;
- Demonstrate understanding and sensitivity to the needs of different communities especially those from underrepresented and underserved backgrounds;
- Eligibility: Anyone who will not be employed at OASIS or one of UCSD’s Campus Community Centers (Black Resource Center, Cross-Cultural Center, LGBT Resource Center, Raza Resource Centro, Women’s Center) or in a high-demand student leadership roles for the 2015-2016 school year (e.g. chair/vice-chair of a student organization);
- SPACES Student Staff must put their position as their first priority if employed anywhere else.
Intern Weekly Hour Distribution

Office Hours
All SPACES student staff members are expected to carry out majority of the work within the center. This is to ensure that a student staff member is present at all times during the center’s hours of operation as well as to encourage student staff to build their organizational skills and manage their time well by completing majority of the work within their center. Be available to help out with administrative tasks around the center such as event set-up, managing the front desk, chores, assisting community members, etc.

All-Staff Meetings
All-Staff meetings occur on a weekly basis. They serve to create and build community with full-time staff, co-coordinators, co-directors, and interns.

Project Group Meetings
Project Group meetings are weekly meetings that serve as a supportive and collaborative space for the initiation and development of student intern work and projects.

One-to-One Meetings
One-to-ones are bi-weekly meetings that serve as a time for the interns to check in with supervisory support about how they are doing within the work place as well as academically and personally.

Additional Meetings/Events/Field Hours
The remainder of the weekly hours is more flexible that can be used for various internal/external meetings and assisting/coordinating/facilitating events. If there are no scheduled meetings and/or events that week, allocate these hours to working in the center. These include:
- ASP/SIAPS Steering Committee Meetings
- Board of Director (BOD) Meetings
- Co-Coordinator and Co-Director Meetings
- Meetings with Departments
- Organization Meetings
- Events

A typical 10-15 hour week for interns will look similar to the following outline:
- Office Hours (5 hours)
- All-Staff Meeting (1.5 hours)
- Project Group Meeting (1.5 hours)
- One-to-One Meetings (1 hour) – every other week
- Field Hours (6.5 hours)
  - Minimum 1.5 hours per week
  - Additional 5 hours are optional

**Student Staff Developmental Outcomes**
The overall goal of the SPACES Student Staff program is to provide student staff the opportunity to self-reflect, build community, as well as develop one’s professional skills while working towards educational equity. At the end of the internship, each intern will be able to translate their holistic experience into skill sets that are adaptable to any work environment. In addition to advocating for social justice, creating community, and enhancing one’s personal development, SPACES strives to meet the professional needs of students and help them develop in the following areas:

**Communication**
- Assessment of clarity of ideas expressed, effectiveness of oral and written presentations, effectiveness in listening and interacting with others in a helpful and informative manner. Asks for and provides constructive feedback and assistance.

**Empowerment**
- Assessment of self-empowerment and the ability to facilitate empowerment in others.

**Initiative and Innovation**
- Assessment of self-starting ability and creativity. Introduces new concepts and processes using independent and original thought. Involves creativity and imagination with programming, projects and problem-solving.

**Organizational Skills**
- Ability to record, update, sort, and maintain information in a clear, orderly manner through the use of calendars, databases, and other organizing tools.

**Punctuality and Accountability**
- Assessment of timeliness and responsibility in terms of coming to work and work-related events. Includes effectiveness in completing the allotted hours per week.

**Quality and Productivity**
- Assessment of excellence in factors such as accuracy, completeness, and follow-through on a sufficient volume of work.

**Resourcefulness**
- Assessment of understanding and utilizing resources available.

**Teamwork and Collaboration**
- Assessment of effectiveness in working together with peers at various levels to solve problems, improve work process, and accomplish specific tasks.

**Time Management**
- Ability to thoroughly initiate and complete goals in a time-efficient and sustainable manner.
