

2013 Summer Summit Student Application

1. SIAPS 9th Annual Summer Summit Program

Summer Summit

July 30-August 4, 2013

Summer Summit is a 6 day/5 night FREE residential program that cordially invites 10th-12th grade high school students in the San Diego area to UCSD. Our goal is to promote access to higher education by partnering up high school students with a current UCSD student who serves as the student's residential advisor during the duration of the program and a resource advisor for the following school year. This program provides high school students with the opportunity to experience residential life on a college campus while building up their interpersonal and leadership skills, gain information and resources about 4-year universities admission policies, and an opportunity to develop and strengthen their critical thinking skills.

This program is limited to 10th-12th grade high school students (As of Fall 2013) in the San Diego Region.

Due to the limited amount of space that exists for this program, submission of this application **does not** guarantee your acceptance into the program.

Once your application has been reviewed, you will receive a confirmation e-mail indicating whether or not you have been accepted into the program

**The deadline to submit your online application is
June 23rd at 11:59pm**

Need more information? Please contact the Summer Summit coordinators, at siaps@ucsd.edu
