Typical Weekly Hour Distribution for Coordinators

SPACES Office Hours
• All SPACES student staff members are expected to carry out majority of the work within the center. This is to ensure that a student staff member is present at all times during the center’s hours of operation as well as to encourage student staff to build their organizational skills and manage their time well by completing majority of the work within their center. Be available to help out with administrative tasks around the center such as event set-up, managing the front desk sign in, chores, assisting community members, etc.

All Staff Meetings
• All-Staff meetings occur on a weekly basis. They serve to create and build community with the advisors, co-directors, and coordinators.

**Project Group Meetings**
• Project Group meetings are weekly meetings that serve as a supportive and collaborative space for the initiation and development of student coordinators work and respective SIPHR/SIAPS/SPICEE component projects.

**One-to-One Meetings (Biweekly)**
• One-to-ones are bi-weekly meetings that serve as a time for the coordinators to check in with support about how they are doing within the work place as well as academically and personally.

**Additional Meetings/Events/Field Hours**
• The remainder of the weekly hours is more flexible that can be used for various internal/external meetings and assisting/coordinating/facilitating events. If there are no scheduled meetings and/or events that week, allocate these hours to working in the center. These include but are not limited to:
  o SIPHR/SIAPS/SPICEE Steering Committee Meetings
  o Board of Director (BOD) Meetings
  o Co-Coordinator Meetings/Committee Meetings
  o Meetings with Departments
  o Organization/Board Meetings
  o Events

**A typical 10-19.5 hour week for a SPACES Coordinator:**
• Office Hours – 5 hours
• All Staff Meeting – 1.5 hours
• Project Group Meeting – 1.5 hours
• One-to-one Meetings – 1 hour (Biweekly)
• Field Hours – 1.5 to 6.5 hours
  o Minimum of 1.5 hours per week
  o Additional 5 hours are optional

**Student Staff Developmental Outcomes**
The overall goal of the SPACES Student Staff program is to provide student staff the opportunity to self-reflect, build community, as well as develop one’s professional skills while working towards educational equity. At the end of the year, each coordinator will be able to translate their holistic experience into skill sets that are adaptable to any work environment. In addition to advocating for social justice, creating community, and enhancing one’s personal development, SPACES strives to meet the professional needs of students and help them develop in the following areas:

**Communication**
• Assessment of clarity of ideas expressed, effectiveness of oral and written presentations, effectiveness in listening and interacting with others in a helpful and informative manner. Asks for and provides constructive feedback and assistance.

**Empowerment**
• Assessment of self-empowerment and the ability to facilitate empowerment in others.

**Initiative and Innovation**
• Assessment of self-starting ability and creativity. Introduces new concepts and processes using independent and original thought. Involves creativity and imagination with programming, projects and problem-solving.

**Organizational Skills**
• Ability to record, update, sort, and maintain information in a clear, orderly manner through the use of calendars, databases, and other organizing tools.

**Punctuality and Accountability**
• Assessment of timeliness and responsibility in terms of coming to work and work-related events. Includes effectiveness in completing the allotted hours per week.

**Quality and Productivity**
• Assessment of excellence in factors such as accuracy, completeness, and follow-through on a sufficient volume of work.

**Resourcefulness**
• Assessment of understanding and utilizing resources available.

**Teamwork and Collaboration**
• Assessment of effectiveness in working together with peers at various levels to solve problems, improve work process, and accomplish specific tasks.
